The products in this invoice do not contain any dog or cat fur, according to EU regulation no. 1523/2007.

We declare that the wool or leather exported as per this invoice is not of animals or plants subject to the 1973 Washington Pact therefore a licence is not required.

The textile products listed in this invoice have been labelled according to EU regulation no. 1007/2011.

We declare that these goods can be freely exported, since they do not come under following categories:

- goods included in the double-use products list (civil and military aims simultaneously)
- goods intended for the weaponry manufacturing or for military use
- goods submitted to cultural heritage for authorization/check
- goods which come under the washington convention: animal leather and parts, dying flora
- goods containing narcotics and psychotherapeutic drugs
- goods used as torture or repression instruments
- goods submitted to ministerial licence

MaxMara s.r.l. Unipersonale
